English	Good

Profile

Designer from Yafa an-Naseriyye, creating since I was 16. I combine graphic design, branding and UI/UX with AI tools, motion and video to build work that is fresh, precise and effective. For me, good design goes beyond looking impressive: it delivers a message, connects with people and creates real results.

Experience

Founder & UI/UX Designer
Oct 2023 – Present

TUNNEL Startup

- Led the app's UX/UI, from user research to interactive prototypes tested in Figma.
- Worked closely with developers, investors and industry experts to bring the product to life.
- Managed branding and visual identity to fit market needs and user expectations.

Graphic Designer & Advertising Lead
Jan 2023 – Oct 2024

Sons of Hanna Shamshoum Ltd., Nazareth

- Designed brochures, social media graphics and web and print banners; built brand guidelines for campaigns.
- Photographed and produced product ads and created motion graphics to drive engagement.
- Managed the company website and analyzed campaign performance to make data-driven improvements.

Freelance Designer
2021 – Present

Local & international clients

- Social media ads, presentations, brand identities and website designs.
- AI-assisted video production: commercials and reels from script to final cut.
